

Hendrik Hans Addi Klaassen  
Response to Office Action of July 3, 2006  
Serial No.: 10/656,989

**Remarks**

Claims 1, 3-16, 18-25, and 30-37 are currently pending in the present application. The Advisory Action of July 3, 2006 indicated that claims 1, 3-6, and 18-25 were allowable. Applicant appreciates the Examiner's consideration of the remarks filed in the After-Final Amendment of June 8, 2006, and the resulting indication that claims 1, 3-16, and 18-25 are allowable. With respect to claims 30-37, the Advisory Action indicated that the amendments presented in the After-Final Amendment were not entered due to the fact that such amendments would raise new issues. Responsive thereto, Applicant hereby resubmits the amendments to claims 30-27 previously presented in the After-Final Office Action of June 8, 2006, and respectfully requests entry and consideration of these amendments as meeting the submission requirement for an RCE filed herewith.

As previously addressed in the After-Final Amendment, Applicant believes that claims 30-37 are patentably distinct from the art of record. Accordingly, following entry of the represented amendments indicated above, Applicant respectfully requests timely issuance of a Notice of Allowance in the present application.

As always, the Examiner is invited to contact the undersigned at the telephone appearing below if it is believed that such would advance the prosecution of this application.

The Commissioner is hereby authorized to deduct any fees arising as result of this or any other communication in the present application from Deposit Account no. 17-0055.

Respectfully submitted,

HENDRIK HANS ADDI KLASSEN
